Alexandria Gazette 1880

WEDNESDAY SVENING, NOV. 24

A MODOC AT CHURCH - O so telerably good thing is reported of that amail see ion of the Modoe tribe when on a tour throughout the country, at the expense of sad for the profit of wo or three while men. One of these Indians recently taught a versl amel bys how to conduct themselves in church. The Indians, it seems, took Lexigton, Ky., in their tour, and ohanced to be there on a Sunday, when several of them attended the Baptist church. A com pany of boys managed to secure sea a directly in front of the nuble red men, where curestly could be thoroughly granted. When the sermon began, the boys increed round and stared at the Indiana uninter uptedly, never flagging a bit in the gez int open men bed wonder. The Indian, as a :u'-, is stoical but he was not store I enough to endure the gimlet look of these boys, which because finally uncodurable. Ont of the Modees, tereed to setion, leaned suddenly forward, soized a boy's head as though he want d a scalp, but he cido't make any at tempt to secure that trooby. He simply twisted the boy's head around ustil is looked in the direction of the minister, and the same time a significant gesture to the other beys caused them to look the same way. Nover did boys pay better attention to a sermon than those of L xington during the remainder of the exercises, and the Modne demonstrated that he had in him big material for a Suncay school superintendent.

General Ticket Agent JANNEY'S FERTILIZING CHEMICALS
The fore ula given below is based upon an experience of many years, and is well adapted to either Wheat, Corn. Potatoes or Tobacce.—

Formula:
200 lbs Pure Dissolved Staughter House Bones, 150 lbs Mulphate Potach 35 los Sulphate Magnesia,

15 ba Sulphate Ammonia. Price \$10 For use the above formula should be mixed with sufficient dry muck, decayed vegeta ble metter, or stable masure to make one ton in weight. The compost may be used immediately after mixing, but it is improved by being allowed to remain some days under sheiter, in order that the bone and chemicals may thoroughly commingle and pervade the mass. Apply by means of a drill from 200 to 300 peuceds to the acre. The above price is net cash for the for-

mula, delivered free on board the cars or steam-boat in Alexandria, Va.
